Dear Mr. Burke,

On a recent show Mr. Weisberg stated that one can get his book (Whitewash) by writing to him at Hyattsville, Md.

I sent a letter and it was returned from Hyattsville stamped "insufficient address."

Would you please send me his complete address and the cost of his book?

I enjoy your show very much, but am disappointed in you since you do not explain the rules of logic to your audience and guests and make all guests conform to them.

Respectfully yours,

John G. Masley
